Dear Chris,

I am writing this letter with mixed emotions. It has been our family's pleasure to work with everyone for the past 56 years. I was 10 when my parents purchased the elevator and we moved here from Frankfort. We are grateful for the way the community embraced us and made us feel welcome. However, things change with time and for Shideler Grain, the time for change is upon us. I've had A-Fib and heart issues for the last 16 years and have come to a point where I must slow down.

As I transition to the next chapter in my life, we will be selling Shideler Grain. We recently signed an agreement with Halderman Real Estate to help us with that sale. Since we do not already have a specific buyer, there are several unknowns at this time. If you know of someone that may be interested, they may contact either me or Halderman Real Estate.

We have quit posting bids for future delivery times and are only bidding for spot deliveries or pricing existing DP and Basis contracts. If you currently have contracts for Fall 2024 or January 2025, we will work with you on alternative delivery options.

We will post any updates about the sale process on our website.

Please feel free to contact me with any questions or concerns.

I will miss the daily interactions with all of our customers and friends. Thank you for your friendship and business.

Sincerely,

A handwritten signature in cursive script that reads "Dave".
